I have been a full-time artist since 2002, when I left behind a career in corporate marketing to live in Sonoma County (north of San Francisco) and follow my lifelong passion for painting, drawing and fiber arts. I have studied with San Francisco and North Bay Area painters Michael Loffredo, Sandra Speidel, Maurice Lapp, Lisa Beerntsen, Philip Buller, Robert Dvorak, and Don Feasel.

During the 1960s when I was a student at the University of Bordeaux in France, I began a lifelong exploration and study of the work of painters such as Toulouse Lautrec, Denis, Vuillard, Degas, Bonnard, Matisse. In addition to painting, in 2007 I began re-visiting my earlier interest in fiber arts by creating multimedia pieces that incorporate clay, wire, and fibers that I have spun, woven and/or needle-felted.

Once again I will be greeting the public for Art @ the Source on June 3-4 and 10-11, 2023--Sat. and Sun. 10:00 to 5:00. My art barn studio 110A is located at 16120 Watson Road, Guerneville, CA 95446. My second-story 600 square foot art barn studio will feature a new series called "My Love Affair with France". This new series features paintings inspired by my extensive travels in my favorite country. For a map and catalog of this self-guided open studio tour of 130+ Sonoma County artists please visit <https://www.artatthesource.org/>
